[illegible]

At the bottom of each race column enter any skippers that needs a race notation such as 'E' or 'A'.

For instance; if skipper #222 is excused from a race, write "222E" in row 20 of the race. Same thing for an average, but write "333A". The location and order of these notes is not important, just write them after the race finishers in the column of the race.
